## Background

The purpose of this report is to provide information for a statutory public meeting presenting a Zoning By-Law Amendment Application submitted by MHBC Planning on behalf of 2503273 Ontario Inc.

The Zoning By-law Amendment (ZBA) is required to permit the use and operation of the existing rehabilitation treatment centre with site-specific provisions.

# Discussion

#### Proposal

The purpose of the Zoning By-law Amendment Application is to rezone the subject property from a Rural Commercial (C3-113) Zone and Rural Environmental Protection (EP2) Zone to a Rural Commercial Exception (C3-XXX) Zone and Rural Environmental Protection (EP2) Zone to permit the use and operation of the existing rehabilitation treatment centre with site-specific provisions.

#### Subject Property and Surrounding Uses

The property subject to the Zoning By-Law Amendment Application is located at 5483 Trafalgar Rd, legally described as Part Lot 15, between Concessions 7 and 8, Town of Erin. The subject property has a total site area of 5.32 hectares (13.12 acres) with a frontage of approximately 351.12 metres (1,152 ft.) onto Trafalgar Rd. The location of the subject property is shown in Appendix A to this report.

The subject property currently contains an existing two-storey building (rehabilitation treatment centre), storage shed, two gravel parking lots with one driveway access from Trafalgar Rd, and a woodlot. The property is adjacent to Provincially Significant Wetland

(PSW) that extends along the Erin Branch of the Eramosa River Blue Springs Creek Wetland and is within the Regulated Area of Grand River Conservation Authority. The proposed site plan is attached to this report as Appendix B.

The area surrounding the subject property primarily includes agricultural and residential uses with natural features located in the north and east surrounding areas. Land uses within the vicinity of the subject property are as follows:

North: Rural residential uses agricultural uses and natural heritage features.
East: Rural residential uses, agricultural uses and natural heritage features.
South: Fox Run Retirement Home, rural residential and agricultural uses.
West: Rural residential and agricultural uses.

A Notice of Complete Application was issued by the Town of Erin for the Zoning By-law Amendment application on April 3, 2025. The first submission of the application has been circulated for review to Town departments and commenting agencies.

### **Policy Review**

This section of the report provides a high-level overview of the planning policy framework that applies to the subject property.

#### Provincial Planning Statement (PPS) (2024)

The Provincial Policy Statement provides policy direction on matters of provincial interest related to land use planning and development, and plays a key role in setting the policy foundation for regulating development and the use of land in Ontario.

The PPS supports a variety of rural land uses in municipalities, provided appropriate servicing is available, while also promoting development aligned with rural service capacities and encouraging employment opportunities.

The PPS also prohibits development and site alteration on adjacent lands to the natural heritage features and areas unless the ecological function of the adjacent lands have been evaluated and it has been demonstrated that there will be no negative impacts on the natural features or on their ecological functions.

The policies in the PPS will be further reviewed in preparation of a future recommendation report to Council.

#### County of Wellington Official Plan (Office Consolidation July 2024)

The subject property is designated as Secondary Agricultural Area, Core Greenlands, and Greenlands in accordance with Schedule B2 – Land Use in the County of Wellington Official Plan.

The intent of the County's Official Plan is for a long-term planning vision that promotes sustainable development and healthy communities by balancing planning decisions that protect the environment, support economic growth, and promote social well-being. The

County Official Plan describes healthy communities as those that support overall wellbeing and provide access to essential services.

Section 6.5 of the County Official Plan identify Secondary Agricultural Areas as lands within the Rural System which are determined to be non-prime agricultural areas, but which can sustain certain agricultural activities. A range of other uses are also permitted in the Secondary Agricultural Areas which include all uses allowed in Prime Agricultural Areas, along with small-scale commercial, industrial, and institutional uses, as well as public service facilities. Small scale commercial, industrial, and institutional uses may be permitted provided they meet the following criteria:

- Appropriate sewage and water system systems can be established;
- The proposed use is compatible with surrounding uses;
- The use requires a non-urban location due to:
  - o Market requirements,
  - Land requirements,
  - Compatibility issues,
- The use will not hinder or preclude the potential for agriculture or mineral aggregate operations; and
- The use will be small scale and take place on one lot and large scale proposals or proposals involving more than one lot will require an official plan amendment.

In addition, Section 6.5.7 of the County's Official Plan requires the minimum distance separation formulae (MDS) be applied to new land uses, as well as Section 5.5.4 which provides for the protection of significant woodlands from development or site alteration which would negatively impact the woodlands or their ecological functions.

The policies in the County Official Plan will be further reviewed in preparation of a future recommendation report.

#### Town of Erin Official Plan (Office Consolidation March 2025)

In accordance with Schedule A-1 of the Town of Erin's Official Plan, the subject property is designated Secondary Agricultural Areas, Core Greenlands and Greenlands.

Section 4.2.3 of the Official Plan states that the use of land in Primary and Secondary Agricultural Area designations are guided by the policies of the County of Wellington Official Plan which has been discussed in the previous section.

#### Town of Erin Comprehensive Zoning By-law No. 07-67

The subject property is zoned Rural Commercial (C3-113) and Rural Environmental Protection (EP2) in accordance with Schedule A of Zoning By-law 07-67, as amended.

The purpose of the Zoning By-law Amendment Application is to rezone the subject property from a Rural Commercial (C3-113) Zone and Rural Environmental Protection (EP2) Zone to a Rural Commercial Exception (C3-XXX) Zone and Rural Environmental

Protection (EP2) Zone to permit the use and operation of the existing rehabilitation treatment centre with site-specific provisions.

The site-specific provision, including a definition, are as follows:

- Add "treatment centre" as a permitted use to the Rural Commercial (C3-113) Zone.
- A "treatment centre" to be defined as: "A single detached dwelling which is occupied by not less than 3 or not more than 21 persons exclusive of staff, who live as a single housekeeping unit, and require 24-hour residential, sheltered, specialized or group care, and treatment and rehabilitation for addiction to drugs or alcohol."

The definition of "treatment centre" is currently not a defined term in the Town's Comprehensive Zoning By-law.

The subject property is currently zoned to permit all the Rural Commercial (C3) zone uses, as well as a bed and breakfast operation and a conference centre, including accessory dining facilities, which was approved on October 3, 1995 by By-law 95-31.

The use is subject to the following regulations:

- Minimum lot size of 4.8 hectares;
- Maximum of 10 guest bedrooms;
- Maximum conference facility size of 35 people; and
- Minimum of 20 parking spaces.

The Planning Justification Report states that no new development or changes to existing structures are proposed for the subject lands. In addition, no changes are proposed for the portion of the subject property zoned Rural Environmental Protection (EP2).

A draft zoning by-law amendment is attached to this report as Appendix C.

The Draft Zoning By-law will require further refinement of the site-specific provisions which will be brought forward to Council at a later date. The Applicant will be required to submit a Site Plan which is subject to staff approval at the Town of Erin.

#### Planning Process and Next Steps

The draft Zoning By-law Amendment and 1st submission materials are under review by Town staff and commenting agencies. Consideration for the review of this application includes, but is not limited to, the following:

#### 15. Notice of Motion

Mayor Dehn presented the following Notice of Motion which will be considered at the Regular Meeting of May 22, 2025:

Whereas the Town of Erin processes applications for amendments to the Zoning By-law and Site Plan Approval under the *Planning Act*;

And whereas ensuring compliance with existing Town by-laws, including the Building Code Act, site alteration by-laws, and current zoning regulations, is crucial for orderly development and the protection of community standards;

And whereas applications for zoning changes often relate to properties where existing compliance issues may be present or arise during the development process;

And whereas requiring confirmation of compliance prior to considering a zoning change application would streamline the review process, ensure existing regulations are respected, and prevent the legitimization of non-compliant situations through rezoning;

Therefore, be it resolved that Council direct Staff to amend the Town of Erin's procedures for processing Zoning By-law Amendment and Site Plan Control

applications to require that, as part of a complete application submission, all applicants must provide:

- 1. A current Clearance Certificate and a current Property Information Report be identified as mandatory item on the pre-consultation checklist issued by the Planning and Building Departments; and,
- Written confirmation from the Town of Erin Planning and Building Departments certifying that the subject property is, at the time of application, in compliance with all applicable Building Permits, Site Alteration By-laws, and the existing Zoning By-law regulations applicable to the property.

And that Staff be directed to prepare any necessary amendments to the Town's Fees and Charges By-law or Application Forms to reflect this new requirement and report back to Council.

# Wellington O.P.P. Detachment Board Report

# 2024 Year End

Detachment Commander: Inspector Steve Thomas

# **From the Detachment Commander**

With 2025 upon us, we look back and reflects on both the challenges and successes of 2024. I would like to thank all the officers, auxiliaries, and civilian support staff in Wellington County for their dedication and hard work as we dealt with an increased number of calls for service, weather related events, the introduction of new technologies and the training required to operate and modernize our police service.

Wellington County OPP welcomed seven new recruits and three Experienced Police Officers in 2024. We also had three Provincial Constables, and one Detective Constable promoted to the rank of Sergeant. All four members are now frontline patrol Sergeants and continue to lead through their actions and professionalism.

Offender Management & Apprehension Program (OMAP) was a major focus for the detachment this year. The program assigns officer with the task of ensuring bail compliance and warrant apprehension. Along with this, Wellington County detachment members continued to do proactive traffic enforcement and RIDE programs throughout 2024.

On behalf of the Wellington County OPP, we want to wish everyone a safe and healthy 2025. Wellington County OPP will continue to work with the community and our partners to ensure that the safety and well-being of our citizens remains paramount.

Wellington OPP Detachment Board Report Year End 2024

#### **Crime Unit**

Supervisor: Detective Sergeant, Mezie Huggins

The Wellington County Crime Unit saw several personnel changes in 2024, the most constable changes in several years. In February, the unit welcomed Jacob Unger, a 6-year member who displays knowledge and expertise when dealing with victims due to his previous training and role as the Domestic Violence Coordinator in Wellington County. In October, we welcomed Morgan Sheerer who is a 4-year member. Sherrer is a very eager officer and took on many benchmark crimes while in uniform and has assisted with numerous human trafficking victims. In December, Nic Moore a 9-year member joined the unit. Moore has a wealth of experience in policing and recently left his position in the Community Response Unit to join crime.

As well, Detective Sergeant Jennifer Foley was promoted to Staff Sergeant overseeing the West Region Criminal Investigations program. D/Sgt Foley will be missed in the detachment but will succeed in her new position with her abundance of Criminal Investigations knowledge. Wellington Crime welcomed Detective Sergeant Mezie Huggins to fill the Detective Sergeant position. D/Sgt Huggins was successful in obtaining the position through the West Region Detective Sergeant Talent Pool and joined the unit in November. D/Sgt Huggins was a Detective Constable from Oxford County and has been a member of several criminal investigation units within the OPP.

The Crime Unit dedicated significant time to death investigations, specifically three Criminal Investigation Branch occurrences. In regard to the Jason Brown homicide that occurred in 2019 there were additional charges laid. One male was charged with First Degree Murder and Conspiracy to Commit Indictable Offence. As well a female party was charged with First Degree Murder, Kidnapping and Obstruct Justice and Possession of Property Obtained by Crime under \$5000 – two counts. This case is still before the courts.

In 2005 human remains were discovered at the picnic/ rest area off Highway 7 between Rockwood and Guelph. It was determined that the death was suspicious, and Police began an investigation in attempting to identify the female victim. In 2022, CIB investigators submitted the case for IGG to determine her identity. In April 2024, a presumptive identification was established and used to locate living family members. A family member's DNA was used to confirm that the deceased female was Tammy Eileen PENNER of Chilliwack, British Columbia. Tammy, who was 41 years of age at the time of her disappearance, was reported missing to the Royal Canadian Mounted Police on Feb 7, 2005. She had been residing in Chilliwack and Abbotsford, British Columbia prior to her disappearance. Investigators believe someone had contact with her during her journey from British Columbia to Ontario. And now the investigation continues, with finding out what happened to Tammy PENNER.

In 2020 investigators began a homicide investigation with the finding of a deceased male located on the side of the roadway in the City of Guelph. Investigators have actively been continuing to follow leads and are still dedicated to solving this homicide.

The Crime Unit was involved in 70-sexual assault investigations. In January, the crime unit began investigating an unknown offender sexual assault. Through a video canvass and Production Orders for teleco companies and social media platforms, the accused was identified and charged. In May of 2024, another unknown offender sexual assault was reported. Through video surveillance and digital

enhancement, the offender was able to be identified, arrested and charged accordingly. The Unknown Offender Sexual Assaults pose a great public concern and are difficult investigations. The investigators demonstrated passion and tenacity when assigned these difficult investigations.

In August, the Detachment welcomed two Detective Constable positions as part of the provincial program aimed at identifying qualified individuals to monitor the response and provide investigative expertise on all Detachment Abuse investigations in accordance with OPP current policy and procedures, while promoting a victim centered and trauma informed approach. Detective Constable Chelsea Riepert began the role in November and Detective Constable Manny Liddar was also successful and will be returning to detachment in July. In the meantime, the position is being backfilled by Constable Chris Biondi. The officers will be engaging and working jointly with many outside agencies to assist victims of crime and providing awareness.

Members of the unit were able to attend several courses and had several training opportunities to allow members to develop knowledge in numerous investigative techniques and topics. Some of the courses and training opportunities were Major Case Management, Provincial Asset Forfeiture Assessment, Homicide, Gang Investigations and Search Warrant just to name a few.

#### Community Response Unit / Offender Management & Apprehension Program:

#### Offender Management & Apprehension Program

It was a busy year for the Community Response Unit (CRU). Our team was privileged to receive many requests to join our community partners at meetings and engaging in conversation with the people that live within our County. Engagement and communication are fundamental in building relationships and allows us to demonstrate our core values in the OPP.

Our CRU team attended countless community events this year, from major festivals, small and large concerts, to local focused events and engaging youth at summer camps. CRU have worked foot patrol, vehicle patrols, marine patrols, off-road vehicle patrols and snow machine patrols. Our unit assisted frontline platoons and our specialty units with calls for services and RIDE.

In 2024, CRU took the primary role of overseeing the Offender Management & Apprehension Program (OMAP). CRU members have executed a significant amount of warrants this past year, tracking down offenders locally, within and outside the province as well as outside the country.

In 2024, CRU members laid 32 Criminal Code charges, 1 Controlled Drugs & Substances Act charge, and 44 various provincial offences.

During late summer into late fall, all four original CRU members ended their terms in the unit. PC Rockefeller has retired after a dedicated career in the County of Wellington. PC Draves pursued an opportunity in the OPP Provincial Training Unit. PC Moore became a Detective Constable in the Crime Unit and PC Wardell transferred to another Detachment in West Region. CRU is now staffed by PC Adam Phillips, PC Garry Kalcsics, PC Simone Roesink and PC Patrick Mullan. All the members are engaged in community relations and are dedicated to the CRU unit and their duties.

Overall, our unit demonstrated flexibility and committed to interacting with the community positively.

#### Offender Management & Apprehension Program (OMAP)

During 2024, the Offender Management & Apprehension Program (OMAP) began with seven offenders being monitored in the community. The number increased to a high of 31 persons out of custody being supervised by police. December 2024 concluded with 26 offenders being monitored. During 2024, officers conducted 179 compliance checks on these persons, ensuring compliance, and arresting those found not abiding by court conditions of release.

In addition to those outstanding on bail, six clients were supervised through the PARS program, as conditions of release.

Page 13

#### Warrants Stats:

#### **Community Safety and Services**

In 2024, we welcomed a new Community Services Officer, PC Sarah McClinchey. Throughout 2024, PC McClinchey assisted with community engagement, school resources and media as part of her new duties.

2024 was the first year of our Citizen's Police Academy program. PC Josh Cunningham assisted by PC McClinchey highlighted the OPP and what we offer the community to those who attended.

In September, we welcomed PC Matthew Burton to the second CSO role. PC Burton immediately focused his efforts on community engagement and media relations.

Our CSO's spearheaded the Coffee with a Cop program which allows the public to engage with officers of various ranks and positions to better understand the role of the police, our duties and familiarize themselves with our members.

Our Community Services Unit, CSO's & CRU completed the Polar Plunge in the winter months, a series of events supporting the Special Olympics and Law Enforcement Torch Run. Our members arranged multiple charity hockey games, police vs. fire in various location to raise money for the Food Bank and Crime Stoppers.

We partnered with the Ontario Federation of Snowmobile Clubs to improve awareness and safety. We attended countless events to drive home the message of safety, such as the Farm Safety Breakfast, the Home Show, The Drayton Farm Show.

We assisted with the proper planning of community event to ensure public safety was paramount.

#### Media

The Wellington County OPP - Media / Community Safety Unit has been hard at work within 2024, from attending community events across the county, to daily interactions with our media partners across the province.

Additionally, our unit has increasingly engaged with local schools to promote education and crime prevention, as-well as sitting on the Upper Grand District School board and attending their quarterly board meetings alongside Guelph Police Service and Dufferin OPP.

In 2024, we have delivered several school presentations, issued 377 press releases (including social media alerts), and participated in numerous interviews with news agencies to raise public safety awareness and spotlight key investigations. We also frequently work with West Region Headquarters and General Headquarters (Orillia) media teams to help answer questions from reporters / inquiries into active investigations and provincial wide policies.

Further, our unit continues to work with the County's media team to help with the creation of their quarterly newsletters and videos.

Members canvassed a number of businesses in both North and Centre Wellington with information for the CamSafe Program. We also conducted Safeguard Audits on nine dates in 2024 totaling 62 hours. Two car seat inspection clinics were held, with approximately 20 inspections completed.

The unit welcomed seven new members this year and several members of the unit had the opportunity to gain valuable leadership experience through coaching these new recruits. We are also continually thankful for the time many of the regular force members contribute to helping coach these new recruits over their first few patrol shifts. We had three members join the OPP through uniform recruitment, with one of those members scheduled to be assigned to South Wellington when his training is complete. We had one of our long-term members retire after over 15 years of service to the Auxiliary Program, and we thank her for the contributions she has made to the program over her time with the unit. We are extremely fortunate to have so many dedicated members volunteering their time here in Wellington County. The unit is among one of the most active throughout West Region.

- Following the completion of the site preparation works, the new Well Drilling program will commence and continue into Spring/Summer 2026.
- After potential Well sites have been identified a Class EA will be completed (in late 2025/early 2026) along with completion of other Ministry requirements, before proceeding with Design and Construction of the Wells in 2027/28.

## Hillsburgh Water Storage Reservoir & $E RIN^{57F}$ Erin-Hillsburgh Booster Pumping Station Update

- The 2020 Water Class EA:
  - Recommended the inter-connection of the Erin & Hillsburgh Water systems, however, no property was identified in Erin for a Booster Pumping Station.
  - Identified a site for a new Elevated Water Tower within the proposed Ballantry Subdivision in Hillsburgh. However, the location is very close to existing residential homes.
- Due to property acquisitions, an Addendum to the Water Class EA, is required. The EA Addendum will identify alternative locations, along reviewing and selecting the recommended location for:
  - a) A site for a new Water Storage Reservoir in Hillsburgh.
  - b) A site for Erin-Hillsburgh Booster Pumping Station in Erin.

## **Questions?**

Town of Erin | Questions

#### **New Business**

#### Submitted By: Mayor Dehn

Submission Date: May 8, 2025

**Subject Matter:** Procedures for Zoning By-law Amendment and Site Plan Control Applications

Consideration Date: May 22, 2025

**Whereas** the Town of Erin processes applications for amendments to the Zoning By-law and Site Plan Approval under the *Planning Act*;

**And whereas** ensuring compliance with existing Town by-laws, including the Building Code Act, site alteration by-laws, and current zoning regulations, is crucial for orderly development and the protection of community standards;

**And whereas** applications for zoning changes often relate to properties where existing compliance issues may be present or arise during the development process;

**And whereas** requiring confirmation of compliance prior to considering a zoning change application would streamline the review process, ensure existing regulations are respected, and prevent the legitimization of non-compliant situations through rezoning;

**Therefore, be it resolved that** Council direct Staff to amend the Town of Erin's procedures for processing Zoning By-law Amendment and Site Plan Control applications to require that, as part of a complete application submission, all applicants must provide:

1. A current Clearance Certificate and a current Property Information Report be identified as mandatory item on the pre-consultation checklist issued by the Planning and Building Departments; and 2. Written confirmation from the Town of Erin Planning and Building Departments certifying that the subject property is, at the time of application, in compliance with all applicable Building Permits, Site Alteration By-laws, and the existing Zoning By-law regulations applicable to the property.

**And that** Staff be directed to prepare any necessary amendments to the Town's Fees and Charges By-law or Application Forms to reflect this new requirement and report back to Council.
