Dear Mayor Allan Alls:

On behalf of The Board of Trustees for The Grove Cemetery, I extend their thanks to you and the Council of the Town of Erin for the grant allocation of \$530.00. Please pass our thanks to the Town Council for approving the donation to the Grove Cemetery this year. The money is used for the care and maintenance of The Grove Cemetery and helps cover the costs associated with the requirements that are necessary to keep the cemetery in good condition.

With the rising cost of most services, it continues to be a financial challenge for the volunteer Board of Trustees to provide the maintenance for The Grove Cemetery. The Township of East Garafraxa also provides a grant of equal value to support this not for profit organization.

I would also like to thank you for your help in obtaining this grant for the Grove Cemetery. We appreciate the support from the Town of Erin.

Yours truly,

Lenora Banfield
