And that Council hereby deems the Farm to Fork Dining Experience as municipally significant;

And that Council hereby supports the issuance of an AGCO Special Occasion Permit for Farm to Fork Dining Experience, submitted by 4th Line Cattle Co. 5682 4th Line Hillsburgh.

Background

The Alcohol and Gaming Commission of Ontario (AGCO) is responsible for administering the Liquor License Act. Among its responsibilities in the alcohol sector, the AGCO oversees the administration of the Special Occasion Permit Program (SOP) required any time alcohol is offered for sale anywhere other than a licensed establishment and may be issued for public events. In order for the AGCO to issue a public event SOP it must be for a charitable/non-for-profit organization, must be deemed municipally, provincially, nationally, internationally significant, or must be for a tailgate event. An event of municipal significance requires a municipal resolution designating the event as "municipally significant".

4th Line Cattle Co. 5682 4th Line Hillsburgh has begun the application process with the AGCO for a public event SOP by means of a municipal significance designation. The dates requested for the Angelstone SOP (Public Event) are provided in Appendix A.

The applicants are wishing to serve alcohol in designated areas between the hours of 6:00 and 9:00 pm on July 27th, 2022.

Information with respect to this event can be found in Appendix A of this report.

Per the AGCO, there is no specific criteria that deems an event municipally significant. If Council believes that the event would benefit the Town in some way, providing a social event for residents, bringing people into Town etc, then it can be constituted as a

municipally significant event.

That Council hereby receives report number C2022-10 “Farm to Fork Dining Experience SOP” for information;
