21 June	Water Supply Operations – Drafting/Hose Lays/Attack Advancement and Hose Streams	Station 50

General (CTO):

- New Chief Training Officer started May 2, 2022.
- Sent three Training Officers to a course in Fergus “All Things Forcible Entry”.
- Reached out to Department asking for top 5 topics and are addressing them.
- Established contacts within the Building Department and have acquired a structure that’s up for demolition on 10 Side road that will serve as a training ground for many topics involved with structural firefighting.
- Training topics for both stations are the same to allow members who missed their night to come to other station.
- We have developed a plan that includes the 5th training night in some months as “Joint Training” where both stations are training together on chosen topics. This will provide 6 joint training sessions between May 2nd and December 31st.
- After a long break from hands on training due to Covid -19, we have covered topics that are the bread and butter of the Fire Service, the Department has been challenged with serious motor vehicle accidents and structure fires. Our members have risen to the challenges and made us proud.

FIRE PREVENTION

Fire Inspections:

The Chief Fire Prevention Officer completed the mandatory Fire Inspections and witnessed a timed fire drill at the vulnerable occupancies within the town. No issues or concerns were noted, all are compliant.

Conducted numerous Fires Safety Plan reviews and returns as well as conducting annual reviews of plans.

- 2 burn complaints CFPO
- 4 Large burn permit inspections, one property was refused a permit due to the items that were to be burned. Resident was also burning without a permit and fire was unattended. CFPO
- 2 CRV Inspections CFPO
- 4 file searches completed CFPO
- Fire safety Plans were approved CFPO
- Various fire Inspection visits to Angelstone Fire Chief
- Fireworks Inspection in the Village of Erin Fire Chief

Fire Engineering:

21 April	Consult – Ballantry Subdivision	Fire Chief
28 April	Consult – 5475 Second Line	Fire Chief
08 June	Consult – 2 Minor Variances	Fire Chief
22 June	Consult – 5475 Second Line	Fire Chief

Public Education:

- 05 May Sparks & Brownies attended Station 50 for a tour, truck visit and a fire safety talk.
- 14 May Touch a Truck at the Town Hall was a success with public education materials handed out as well teaching residents the importance of checking your smoke and carbon monoxide alarms.

General (CFPO):

Worked on the Emergency Reporting software entering data per occupancy and creating reports for statistical data. Inputting items such as inspections, burn permits and requests.
