Insurance Proposal

Policy Period

April 1, 2024 - April 1, 2025

February 28, 2024

Important – Please Note The Following

Duty of Disclosure

In addition to providing all basic information necessary to enable us to place the risk, you must ensure that you are complying with your legal duty of disclosure of all material matters relating to the risk. In particular, you must satisfy yourself as to the accuracy and completeness of the information you provide to insurers. In this respect, you must provide all information relating to the risk, whether favourable or not, which would influence the judgement of a prudent insurer in determining whether he will take the risk, and, if so, for what premium and on what terms. If all such information is not disclosed by you, insurers have the right to void the policy from its inception which may lead to claims not being paid.

Payment Terms

Premiums are due and payable on receipt of a Marsh invoice. Payment should be made immediately to avoid any possible cancellation for non-payment of premium.

Period of Validity of Quote

This offer remains open for acceptance by the Insured until the expiry of the current Municipal Insurance program policy (ies).

Breach of Warranty or Subjectivity

If any of the terms and conditions contained in this proposal are identified as a “warranty” or as a subjectivity to binding or continuing cover, you should be aware that if the terms of the warranty as stated are breached or the subjectivity is not met, insurers may have the right to void the applicable coverage and deny any resulting or subsequent losses as a result.

Underinsurance

It is important that all policy limits and amounts insured be reviewed carefully and at least annually to be certain they are adequate to provide full recovery in event of a loss.

Underwriting / Binding Authority

Certain portions of this quotation of cover have been provided by Marsh Canada Limited acting in an underwriting capacity on behalf of the Insurer who, under a binding authority agreement, has given us authority to quote and confirm insuring terms, conditions and premiums. Marsh Canada Limited is not acting as an insurance broker in this instance and is not providing alternative terms or markets for the cover other than as quoted. For covers where Marsh

Canada Limited does not act in an underwriting capacity nor has a binding authority agreement with the Insurer, coverage cannot be bound with those Insurers unless a request is made to the Insurer and confirmation of coverage is subsequently received by Marsh Canada Limited from the Insurer.

Material Changes From Expiring Policy

You should carefully note any items identified in the “Changes from Expiry” section under each coverage as they represent material changes in cover from your previous policy.

RISK AND CLAIMS INFORMATION

This proposal has been based on the risk and claims information provided and/or verified by you to Marsh Canada Limited. If any of this information is not correct or has changed in the interim, you must advise us immediately as the terms quoted may therefore be invalid and cover cannot be bound as quoted.

TAXES PAYABLE BY INSUREDS

The following taxes as prescribed by federal and/or local laws and regulations will apply to all or certain portions of the premiums quoted and will be charged by Marsh Canada Limited in addition to the premiums quoted:

Provincial Sales Tax
