**Presented/  
Prepared By:** Nick Colucci, Director of Infrastructure Services  
Engineer

**Report Number:**  
R2020-03

**Meeting Date:**  
3/17/2020

### Subject

#### Ospringle Drain

### Recommendation

**Be it resolved that** Council hereby receive report number R2020-03 – “*Ospringle Drain*” for information;

**And** that Council hereby approve and give a third and final reading to By-Law # 20-02 as presented in Appendix A of this report.

### Background

This report is prepared pursuant to Section 4 of the Drainage Act RSO 1990 (the Act).

On December 12, 2017 the Municipality received a petition from Tom Krizsan (Thomasfield Homes Ltd.) for drainage for a proposed subdivision for the lands in Pt E½ and SW½ Lot 13, Concession 2 (Erin Twp). Pursuant to Section 8 of the Act, on July 19, 2018, Neal Morris, P. Eng., K. Smart Associates Limited was appointed by resolution of Council to prepare a report on the petition received.

To address the petition received, this report recommends improvements to the drainage and assesses the costs for the construction and future maintenance of the Drain.

On February 4, 2020 the Provisional By-Law was adopted by Council with the Court of Revision being held on March 3, 2020. No changes were made to the assessments so we are requesting Council to adopt By-Law # 20-02.

Once the By-Law is adopted the implementation of the Ospringle Drain will be commenced including finalizing the tender document, tendering and awarding the work.

### Strategic Pillar

Growth Management

**Financial Impact**

There is no major financial impact with the exception of some staff time to coordinate the process. All costs will be assessed to be benefitting owners initially paid by the developer, Thomasfield Homes Ltd.

**Conclusion**

That Council hereby receive report number R2020-03 – “*Ospringe Drain*”  
And that Council hereby approve By-Law # 20-02 as presented in Appendix A.
